NOTE FROM THE PRINCIPAL

Ama Silksa Parents and Guardians of KCS

Yay Spring Break is nearing and the kids are all excited. I hope everyone has a fun safe break and most of all stays safe!

Things have been coming along here lots of exciting things coming with spring time.

I am really happy to see students coming back and filling up these desks. Last month we released a video telling our community what we have been doing in regards to COVID-19 policies and procedures here at the school. If you haven't had a chance to watch it please check out our school website!

I am also excited to announce a school wide initiative by Mrs. Crystal Tom "Gwal'ye'enst- which means passing of traditional knowledge. So once a month each of our teachers and staff have taken the afternoon to pass on a traditional knowledge taught to them- and are passing it along to our students. So far we've had bird houses, fried bread, beading, art, jam making, We will be adding AV club, and mural projects to the list. We are super excited and hope to continue on again next year.

Please have a fun and safe Spring Break and will see you all back Monday April 4, 2022!!!
