Principal's Message

Hello Everyone! What a fantastic and adventurous two months! We have lots of fun and amazing things to come this year!

Updates we lost our outstanding Grade 1 Teacher, Ms. Lynzee Nyce. Unfortunately, Lynzee had an opportunity that suited her and her family that she couldn't turn down. Here at Kispiox Community School, we will miss her, and we wish her all the best in her future endeavours.

I'd like to give a huge thanks to Anspayaxw Health for our amazing working relationship- to meet the guidance and supportive needs of our Majagalee!

Best, Alison Stevens

The hunting trip is where you learn survival skills.

When you go on a hunting trip you have to bring your gumboots just in case you step in a ginormous puddle.

When you go hunting you have to stay quiet. If not, you will scare the moose or deer away. If you're not quiet, you won't catch anything.

When you go fishing you have to put on your gumboots so your feet won't get disgustingly wet when you try to get a ginormous steelhead, a coho, or a dolly when you're fishing with your friends and class.

Shout out to:

Every October our school plans a hunting/fishing trip. We would like to thank:

- Monty Stevens- Fisherman
- Tyson Daniels- Hunter
- Scott Muldon- Hunter
- George Wilson- Hunter
- RJ Harris- Hunter

Without your knowledge and expertise, our trips would not be able to happen. Thank you for taking our Intermediates on the Lax Yip! They had a blast and we look forward to continuous trips on the land.

ATTEND TODAY, ACHIEVE TOMORROW

GOOD SCHOOL ATTENDANCE MEANS...

ELEMENTARY STUDENTS
read well by the end of third grade

MIDDLE SCHOOLERS
pass important courses

HIGH SCHOOLERS
stay on track for graduation

COLLEGE STUDENTS
earn their degrees

WORKERS
succeed in their jobs

Too many absences—excused or unexcused—can keep students from succeeding in school and in life. How many are too many? 10% of the school year—that's 18 missed days or 2 days a month—can knock students off track.
